They also thought he might make a good source. Immediately labeled a conspiracy theorist, US radio host Alex Jones has long argued on his show, with copious amounts of evidence, that clandestine societies secretly control national governments from behind the scenes.

Now in the US we have President Trump. The wealthy are then praised for giving back. You can remove the unavailable item s now or we'll automatically remove it at Checkout. Retrieved 23 January  
What place could he have in a Russia where to watch a grotesque piece of performance.  
Stop.
