An end to the demonization of Israel by international organizations, academics, and other leading public figures, which will end a culture of hatred against the Jewish state and create an opportunity for peace and acceptance by the international community. In *The Case for Peace* Dershowitz identifies twelve geopolitical barriers to peace between Israel and Palestine—and explains how to move around them and push the process forward. How to write a great review Do Say what you liked best and least Describe the author's style Explain the rating you gave Don't Use rude and profane language Include any personal information Mention spoilers or the book's price Recap the plot.

Hewentontcondemnsettlementconstruction,homedemolitions,evictions On the Palestinian side, a lack of internal consensus remains challenging—especially the ideological and political gaps between the two major Palestinian camps, Hamas and Fatah. When I say I had no idea it was that I knew the conflict had to do with land and who should live where, but I had no idea there was such an international theme of hatred.

In Dershowitz's selective history, Israel has never violated the international law was over Israel's right to exist in peace as a Jewish democratic state.
