Condition: Good. From this arises the discussion whether professional activities can be carried out in a heterogeneous and contradictory universe of conceptions and contexts by Agroecology graduates. Paris:ActesSud, Browse by subjects. In France, State Medical Assistance is hotly debated and regularly subject to criticisms calling for stricter eligibility criteria or, more radically, its revocation. Agroecology arose and was institutionalized in a context of criticism of conventional production systems and of consensus regarding the technical and social feasibility of agricultural activities being redesigned on ecological bases.
