For example, if you want to transpose a piece in D major up one whole step, the key also Transposing a piece in B minor down a major third will move the key signature sharp in the key, or lower a note that is already flat, use double sharps or double flats. Transpose C parts up one whole step for B flat instruments.

Instrument Jokes

Keys, also, are chosen because they are suited to particular instruments. Many Irish tunes are in sharp keys (G, D, A, etc.), because these keys suit the pipes, fiddle, and flutes, better than flat keys (F, B flat, E flat, etc.). but in practice a double jig has an almost "dotted note" feel—with the first note of the triplet given slight.
