A chapter on religious freedom and the legal challenge of defining "religion" is overlong and largely unnecessary. It is impossible to believe that we will all arrive at the same answers. What Grainger shows is how deeply this permeated their daily lives.

Our recognition of objective value, Dworkin argued, must be prior to anything. Strongly recommend for anyone, like myself, who finds themselves deeply conflicted between a theistic and atheistic perception of our lives. Consider the naturalistically-spirited idea that morality has evolved, developed over the course of pre-human and human history; and further that it Religion Without God neither true nor false but rather more effective or less at securing human dignity, social coherence and perhaps other ends. But for the religious atheist which is to say, for the author himself that is getting things more or less backward.

Topics politics religion democracy. Want to advertise? View our privacy policy. This is a philosophical response to increasing numbers of spiritual but not religious people inhabiting secular societies and the heightened interaction between a multitude of spiritual traditions in a globalized age.
