Our choices have ramifications for our character in the afterlife and in our next life. Some are rejected by an important early Stoic, Aristo, who lost a struggle to define the movement and so was retroactively deemed heterodox. The Judgment of Caesar.

The characters feel like real people, not as though they were reacting out of history. So, she has an impulse to preserve herself and her constitution. The title should be at least 4 characters long. I highly recommend the whole series! But they just seem too modern to me. Skip this list.
