Overall rating No ratings yet 0. In its second edition, The Prophetic Imagination has sold more than 1 million copies, but this year marks the 40th anniversary of its initial publication—which seems as good a reason as any to revisit this remarkable work.

This is an important read for those who care about both theology and art. More Details At Kobo, we try to ensure that published reviews do not contain rude or profane language, spoilers, or any of our reviewer's personal information. Brueggemann appears to advocate perpetual socialist crisis as the ideal for living faith.

The role of lament and grief in penetrating the numbness. We read this as a part of a community of God whose words and practices of lament, protest and complain give rise to an

alternative social order that opposes the totalism of the day.
Read and weep!
