Island Songs is a work of sonic anthropology that does more than probe song as a part of the sociocultural life on islands. Through the close analysis of musical performance and traditions, the scholarly contributors to Island Songs provide a global review of how island songs, their lyrics, and their singers engage with the challenges of modernity, migration, and social change, uncovering common patterns notwithstanding the diversity and Island Songs: A Global Repertoire specificity of their subjects. At the wish of their founder Prophet Crowdy, the choir assimilated elements of university-trained black choirs such as the Fisk Jubilee Singers, as well as aspects of later jubilee and modern gospel styles.
