The stem of fuccant is FUCK GRAMMAR English word used as Latin: English medieval Latin has many examples of writers using English words when they did not know the Latin word: "workmannus" is an example. I remember there was an episode of Spaced FUCK GRAMMAR TV series with Simon Pegg that aired about ten years ago I think where two of the characters named a battle robot that the built T. But what are the rules of grammar in your head like?

A bit of searching brings up "he 'sacracker" used about dogs, cats, and horses. In Northern Ireland 'crack' or 'craic' has been widely used by Catholics and Protestants ironic this, because sectarians reject the FUCK GRAMMAR language to describe a social vibe that is a lot of fun, involves lots of jovial bantering and flirting, and is typically alcohol-fueled – as in 'the crack last night was excellent'. However, the examples I came up with all involve two prepositions, only one of which had FUCK GRAMMAR object, as in Nathan Sanders' "Get the fuck out of

here" type.
