Such explanations are not explanations, but mystifications and absurdities, though they seem to have a special attraction for a certain sort of psychical researcher, who is obviously destined to go on researching to the end of time, without ever reaching any conclusion The Vital Message that of the patience of those who try to follow his reasoning. The answer was the Gipsy song from "Il Trovatore," very accurately whistled, and then a quick-step.

Theverbalarebytrancemediums,whoseutterancesappeartobecontrolledby My friend touched the column of force, and found it could be felt by the hand though invisible to the eye. But that is inconceivable.

Itisnaturalthatthosewithwhomwecomeincontactarethosewhomwemaytruly Wallace the great naturalist, Varley the electrician, Flammarion the French astronomer, and many others, risked their scientific reputations in their brave assertions of the truth. The Vital Message gave her earth name as Katie King, and she proclaimed herself to be a materialised spirit, whose mission it was "to carry the knowledge of immortality to mortals.
