Rethinking Camelot - Between the Lines

Rethinking the Vietnam War (Rethinking World Politics)
Paperback - 19 Jul The Vietnam War is one of the defining conflicts of the twentieth century: not only did it divide American society at every level; the conflict also represented a key shift in Asian anti-colonialism.

My book was generally hostile to both versions. To achieve healing, if healing is even possible, warriors must re-evaluate their experiences and ultimately realize both their own culpability and how they were, and in many cases continue to be, exploited by those who benefit and profit from their sacrifices and from the blood of innocents. Each of these indifferent ways provided a searing critique of US decision making. Robert S. Dumbrell, intriguingly, p. Dumbrell might have afforded more space to considering why Australia fought with America in Vietnam when others did not. Can I get a copy? You can unsubscribe at any time. If the Americans are prepared to fight here, where will they not fight? They are all FREE.
