You are an inspiration to many of us by getting out...you are not a victim, you are a survivor. The story is incredible, but the writing is often repetitive and sometimes tedious.

The internet may not always be the safest way to talk about these things, so where

If the right of privacy means anything, it is the right of the individual, married or single, to be free from unwarranted governmental intrusion into matters so fundamentally affecting a person as the decision whether to bear or beget a child. I have had 2 counseling sessions. I think battered women stay with their abusers out of both hope and fear.

In Appendix A, I have collected some "do's" and "don'ts" that supporters of battering

try and fix the problem.
