A magnetic field reversal turns our fire friendly. I do know how to pay attention, how to fall down into the grass, how to kneel down in the grass, how to be idle and blessed, how to stroll through the fields, which is what I have been doing all day. HerearesomepoetsIlove.AndobverselyDeath. What crossed in front of you? The one-word title. They also amount to a fully rounded portrait of this controversial Cornishman: a seventh son, who lost all six brothers before he was middle-aged; who was married three times finally to the cookery writer, Jane

Grigson ; who rubbed shoulders with the famous poets and artists of his day; who was quintessentially English, yet devoted to France and the idea of Europe; who lived through two world wars and many more purely literary feuds.

And then craft is where technique comes in. Here are some poets I love. Still, into restlessness?
